Comments Regarding Pricing Strategy		
<p>My method used to confirm the property's actual physical condition was to inspect the subject while obtaining photos. The subject should be able to sell within the average Days On Market for similar comps in the area. I went back 12 months in sales date and out in distance 1 mile. The comparables selected for this report are the best possible currently available comps within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and the comps.</p>
