Comments Regarding Pricing Strategy					

#### Comments Regarding Pricing Strategy

The subject's suggested value is based on the adjusted and unadjusted value of the comps. Special consideration was given to the list comps due to a lack of inventory, and shows a trend of rising values compared to the sold comps, as well as the sale date of the sold comps.

#### Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
