Comments Regarding Pricing Strategy

Subject sold recently on 5/27/2021 for \$355,000. Subject MLS showed the property fully renovated and in good condition. Due to slow sales and the lack of similar comparable properties, some comps used may exceed typical allowed variances in distance, lot size, age and/or square footage. Comparable properties used were closest in style and location to subject with most consideration given to GLA, age/condition, and setting. Subject's final value represents a value with normal marketing times and based on the most similar and proximate comps in this report.
