Comments Regarding Pricing Strategy		
<p>Due to slow sales and the lack of similar comparable properties, some comps used may exceed typical allowed variances in distance, lot size, age and/or square footage. Comparable properties used were closest in style and location to subject with most consideration given to GLA, age/condition, and setting. Sold comps may exceed typical 6- month guideline due to slow sales of comps matching subjects characteristics. Subject's final value represents a value with normal marketing times and based on the most similar and proximate comps in this report.</p>		

Clear Capital Quality Assurance Comments Addendum
