Comments Regarding Pricing Strategy		
<p>Estimated sale price is for the subject home to sell within 90 days at fair market value based on fair market comps for the area. Due to lack of similar listings in Rancho Vista it was necessary to expand search radius for listed comps to nearby similar subdivisions. Therefore 1 listed comp is over one mile in proximity. There was also a lack of similar sales in the last 3 mos. Therefore it was necessary to go back in sale date to 4 mos. for one sold comp. Strong consideration was given to the sold comps in determining estimated sale price since they are proven recent sales in the area.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
