Comments Regarding Pricing Strategy		
<p>I have searched within 3 months, +/-20% GLA, +/-10 years age, and proximity up to 0.25 miles guidelines. There were limited comparables found. So proximity parameters were exceeded and search was extended up to 2.7 miles and closed date 6 months. It is necessary to use good condition for the comparables The necessary adjustments are made on variance in the guidelines. In delivering the final valuation, most weight has been placed on CS3 and LC2, as they are the most similar to subject condition and overall structure. The subject is located near the schools ,park, highway, busy road, residential areas, and commercial places. However, these adverse factors do not affect the market value of the subject. The subject attributes are taken from the Tax record. As per tax subject owner name is Catamount California 2018 LLC Address verification number was not clear. Address was verified by surrounding house number.</p>
