<b>Comments Regarding Pricing Strategy</b>		
Based on low values and a semi stable market values are close related and only decrease after a 120 mark Subjects value is based on current market Conditions and recent sales in area. Comparable's are similar in condition when compared to the subject. Used the best and most like subject lists and sold's. Due to limited comp availability, it was necessary to exceed guidelines for sale date, distance or gla, subject and comparables are same in style. Subject is in a new construction neighbor hood, which confirms to gla, location and gla. Comparables used were best
