Comments Regarding Pricing Strategy		
<p>The subject should be sold in as- is condition. The market conditions are currently stable. Commercial presence for the subject would not affect the subject's condition or marketability. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Due to suburban density and the lack of more suitable comparisons, it was necessary to within 1.50 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size and some recommended guidelines when choosing comparable properties. The address was not posted anywhere on the subject, it was verified through tax records, GPS and neighboring homes. So I uploaded the street sign and neighborhood address photos for the address verification.</p>		

Clear Capital Quality Assurance Comments Addendum
