Comments Regarding Pricing Strategy		
Subject property should be priced near mid high range of competing listings due to shortage of directly competing properties, high demand for pool properties and low days on market time. This property is most like Sale #2 which sold for adjusted sales price of \$357,500. It was under contract in 17 days on market and sale is somewhat aged. Valuation for subject property assumes 90 days on market. This property sold 07/20/2021 for \$325,000 and was under contract the same day it was back on market.
