Comments Regarding Pricing Strategy		
<p>The subject is an older built home and no noted major repairs, the main difference in the area may be inside upgrades. Due to the season few listings in the area to compare. The search of the area was conducted of 20% GLA, 10 miles, 180 DOM, and 10 Years. Needed to expand the search. The comps used in this order are the most like the subject. The pandemic is affecting the listings in the area, with few listings to compare, however, the sold comps are staying steady. Many homes are selling for more than the list price due to the lack of comps in the area listed. Due to the lack of comps may of not been able to bracket the listing values.</p>
