Comments Regarding Pricing Strategy		
<p>The subject is a SFR style in average condition. All maintenance appears to be up to date and no repairs are necessary based on the exterior inspection. Within 1 mile, 30% GLA, 20+/- year built and 12 months sold date, majority of the comparable available from the subject immediate neighborhood were different in sub style. In order to take proximate comparable, it was necessary to exceed style for one sold comp, 15% GLA and closed date beyond 6 months. The best available comparable are used in the report. In delivering final valuation, most weight has been placed on CS2 and CL2 as they are most similar to subject condition and overall structure. Market values remained stable during last 12 months within subject's market area."Address is faded on mailbox. Verification made visually and via tax "</p>
