Comments Regarding Pricing Strategy		
<p>Suggest pricing near mid high range of competing listings due to shortage of directly competing listings in this area. Subject property is most like Sale #1, which sold for adjusted sales price of \$155,000. It was under contract in 4 days on market. Subject property would be expected to sell slightly above this price point with 90 days on market. This is a large gated complex of 366 condo units. Suggest repair to bring to market condition. Repair would be expected to have a positive return on investment. There are no adverse externalities noted. Gated entry is on Kentucky Street. All comps selected are located in this same subdivision share identical construction qualities, HOA amenities and appeal</p>
