Comments Regarding Pricing Strategy		
The home shouldn't have any problem selling at or around these values. I did a search for comps and extended 10.0 miles, back 12 months, resulted in 10 listing and 36 sold properties similar in characteristic and price. Extending distance beyond the distance noted would not provide good comparables due to the market."		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
