Comments Regarding Pricing Strategy		
<p>Listing 3 and sold comp 1 are the most similar comps to the subject. Their adjusted price points are 273, 274 k. We should price off of the most recent sold as we don't know what the listing will sell for. The market went crazy in Clarksville this year. Homes are sitting a little longer right now than they were but everything is still selling. It should sell. I don't know if the basement is finished or not. I did the report that it isn't finished, however it may be. If it is it would change the price by \$10,000 higher.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
