Comments Regarding Pricing Strategy		
<p>The agent searched past 1 mile for similar comparables. The agent was not able to bracket sq footage, but any difference was adjusted for. The agent searched an area of approximately 1 mile surrounding the subject, and the agent had to consider all comparables, including short sales and REOs. The values of those are similar to fair market comps, thus all comps are best suited for the report. The agent took into consideration all 6 comparables that were used. The agent valued the subject in comparison to all of the comparables, as a whole. All the comparables were similar to the subject in some way.</p>		

Clear Capital Quality Assurance Comments Addendum
