Comments Regarding Pricing Strategy		
<p>It should be noted that the subject value is based on the most similar sold comp, which is sold comp 2, it should be noted that the subject sold/closed on 8/30/21 for far less than the projected value for unknown reasons. Additionally, there were no comps with similar GLA (+/- 20%) which had the same number of bedrooms as the subject, so the comps closest in GLA were used to project value. The use of a comp with a larger GLA would have indicated a very skewed value for the subject property.</p>
