Comments Regarding Pricing Strategy		
<p>The subject property is located in a neighborhood with easy access to the highway. Most yards and home exteriors appear to be in good order with only minor maintenance neglect. The area has above average market demand. The property is located in an area of equal value homes; it conforms to other homes in regard to Proximity, GLA, Age, Condition, View, Style, Lot, Beds, & Baths. The market appears stable as there are roughly an equal number of homes which have been listed and sold over the past 12 months. Current list prices remain in line with sale prices, and REO/short sale inventory has decreased. The subject was strategically priced mid- market because all homes were from the same/similar subdivisions, and were of similar GLA, age, style, and lot utility. No extraordinary characteristics were noted to price low or high.</p>		

Clear Capital Quality Assurance Comments Addendum
