<b>Comments Regarding Pricing Strategy</b>		
<p>Subject is 3456 Sq.Ft house. Due to limited comparables, need to exceed sold date up to 12 months, proximity up to 3 miles, year built, bed/bath count and lot size guidelines. Since limited comparables were available, need to take comparables with closed date beyond 3 months. In order to support the subject's GLA, it was necessary to use comparable that differed from the subject's style. To stay in closer proximity need to use good condition comparable. Due to limited comps in the area, comps were used despite not bracketing the GLA as they are still considered to be reliable comparables. Subject is located near busy road, highway, railway, park, water bodies, commercial amenities. Due to limited comparable from same location, it was necessary to use comparables from across the major roadways. However, this won't affect the market value. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS1 and LC1, as they are most similar to subject condition and overall structure. Subject attributes are from Tax record. Garage count is verified using MLS.</p>		

### Clear Capital Quality Assurance Comments Addendum
