Comments Regarding Pricing Strategy		
Due to rural location, historically low inventory and limited comp selection- search was expanded to a five mile radius with expanded style, year built, lot size, sq footage, views and value range criteria. Values given best reflect current market conditions with very low inventory and very high demand.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
