Comments Regarding Pricing Strategy		
<p>This is an opinion of value and was prepared by a licensed Real Estate Agent. It is not an Appraisal. This opinion cannot be used for the purpose of obtaining financing. Notwithstanding any preprinted language to the contrary, this is not an Appraisal of the market value of the property. If an Appraisal is desired, the services of a licensed or certified Appraiser must be obtained. This opinion may not be used by any party as the primary basis to determine the value of a parcel of or interest in real property for a mortgage loan origination, including first and second mortgages, refinances, or equity lines of credit. Within 1 mile, 20% GLA +/-, Year built 10 +/-, there were limited comparables available in the subject neighborhood. Therefore it was necessary to exceed the style, GLA, lot size, year built, garage count, bed/bath count and proximity up to 2 miles. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC1 as they are most similar to subject condition and overall structure. Market values remained stable during the last 12 months within the subject's market area.</p>
