General Conditions

Owner	CHARLES M LEISS III	Condition Comments	
R. E. Taxes	\$2,878	<p>The selected comps were the best ones available at the time of inspection and are a true representation of the subject's market conditions. Secondary sources like Zillow and Trulia were also considered in order to estimate the market value of the subject and comps were chosen based on the similarity to the subject in terms of GLA age proximity and condition. Subject is a single family detached home in a suburban area. The Subject appears to be in average condition based on exterior inspection. The comps were chosen based on the following criteria - GLA, proximity and condition. Sale period, room count, age and location were also considered while choosing comps for the report. All the comps chosen are within 25% GLA variance, within 2 miles proximity, 6 months sales period. Due to a lack of comparable with similar attributes in closer proximity search for comps had to be expanded in distance. The comps are still valued correctly and are an accurate reflection of the local market value. Search criteria had to be expanded to accommodate comps which match the subjects GLA and other attributes and which points towards a best value estimate.</p>
