#### **Comments Regarding Pricing Strategy**

Search was expanded to include the whole large market area in order to find best comps for subject & to try & bracket subject features. Every effort made to find/use comps with as close proximity as possible. Currently there is only 1 comp, listed or sold, within 2 miles of subject without expanding GLA & age criteria. Search further expanded to find additional comps. In this case search was expanded up to 3 miles to find comps. Subject lot size is not bracketed by the comps but all of the comps have lot sizes considered typical for the area. This is a minimal line item adjustment. 3 of the comps have age variance of more than 10 years but these are still the best & most similar comps available.
