<b>Comments Regarding Pricing Strategy</b>		
<p>To locate comparable, it was necessary to exceed bed/bath count, closed date, sub style, lot size and used superior condition comparable. Subject is located near highway, worship places, major road, park, schools, commercial buildings. This however, will have no impact on value. In delivering final valuation, most weight has been placed on CS2 and LC1, as they are most similar to subject condition and overall structure.</p>
