<b>Comments Regarding Pricing Strategy</b>		
<p>Appears to be worth much more than it sold for however it appears to be part of a bulk sale which probably affect the price. Also complicating this report is the mls didn't included converted garage space while the tax data shows it to be over 1400 gla, that appears inaccurate since the small garage didnt appear to be that big. Without knowing more an accurate value wasnt possible. most weight given to sold2, same neighborhood and fair conditon. see attached mls sheet.</p>
