Comments Regarding Pricing Strategy		
<p>Within 1 mile, 20+/-% GLA, Year built +/-20, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed the sold date 3 months, year built, lot size, condition and proximity up to 1.69 miles . Due to limited comparables available in the subject neighborhood, it was necessary to use comparables with variance in style and basement.. The comparable selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS1 and LC2 as they are most similar to subject condition and overall structure. The subject details are taken from the Tax record.</p>
