Comments Regarding Pricing Strategy		
Subject property should be priced near mid high range of competing listings due to shortage of directly competing listings and very low days on market time. It would be expected to sell near mid high range of adjusted recently closed sales with 90 days on market. This property sold 01/27/2022 for \$352,000 as cash sale. Probate Court approval required. Valuation for subject property assumes 90 days on market, typical marketing and fair market transaction.
