Comments Regarding Pricing Strategy		
<p>This is a Broker's Price Opinion (BPO) and was prepared by a licensed Real Estate Agent. It is not an Appraisal. This opinion cannot be used for the purpose of obtaining financing. Notwithstanding any preprinted language to the contrary, this is not an Appraisal of the market value of the property. If an Appraisal is desired, the services of a licensed or certified Appraiser must be obtained. This opinion may not be used by any party as the primary basis to determine the value of a parcel of or interest in real property for a mortgage loan origination, including first and second mortgages, refinances, or equity lines of credit. The search was conducted within subject neighborhood for comparable within +/- 20 % GLA, +/- 20 years and 6 months back. Sold comps were located within subject street. To locate enough comparable, it was necessary to exceed proximity up to 3 miles and price range variance beyond 25%. In delivering final valuation, most weight has been placed on CS3 and LC1, as they are most similar to subject condition and overall structure.</p>		

Clear Capital Quality Assurance Comments Addendum
