Comments Regarding Pricing Strategy		
<p>Subject property should be priced near mid high range of currently listed comps due to shortage of competing townhomes and low days on market time in this area. It is most like Sale #3 which sold for \$260,000 with no seller paid concessions. Subject property would be expected to sell near high range of recently closed sales with 90 days on market. This home is currently listed for sale for \$207,900 since 01/20/2021. It is priced below fair market value as supported by model match directly competing homes and recently closed sales.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
