Comments Regarding Pricing Strategy		
<p>Insufficient comparable sales are available within 3 months of the sale date. The estimated market value is based on the adjusted net sale price of the comparable sales. Due to the lack of similar comps in the subject neighborhood, it was necessary to relax criteria and expand the search proximity in order to obtain sufficient comps. Selected comps are the best available that represent the subject property current market value. Repair or replace garage door.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
