Comments Regarding Pricing Strategy		
<p>The subject is an SFR with GLA 3331 sq ft. The distance guideline was expanded up to 1.93 miles for comps in order to locate comparable that would support the subject's GLA, Age and Condition. In order to stay within 2 mile proximity, it was necessary to exceed style, year built, GLA by +/- 30%, pool, and bed/bath count. Since there were only limited comparable available I was forced to use comparable with superior bed/bath count. In order to include comparable to reinforce the subject's GLA and other attributes, the sold comparable search was broadened to 12 months time. The subject seems to locate near highways, parks and commercial space, this does not have any impact on current market value. In delivering the final valuation, the most weight has been placed on CS1 and LC3, as they are most similar to subject conditions and overall structure.</p>		

Clear Capital Quality Assurance Comments Addendum
