Comments Regarding Pricing Strategy		
<p>Subject appears to be in average condition with no signs of deferred maintenance visible from exterior inspection. The subject should be sold in as-is condition. The market conditions is currently stable. Due to suburban density and the lack of more suitable comparisons, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. List 1 Comp were weighted the most and similar in bedrooms and bathroom close proximity. Sold comparable 1 was weighted the heaviest due to bedroom .</p>
