Comments Regarding Pricing Strategy		
Due to the hot DFW real estate market homes are selling more currently than they were 4 months ago and have been receiving multiple offers with many of them being over list price. I think this home should be listed at the top end of the sold comps and I think it will sell quickly at that price point.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes	The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
