I searched for FMV comps with a GLA of 1550-1999sf. Due to a rural market area I expanded the search to 3 miles and 6 months. Homes in the area are a mix of styles, ages and sizes. All comps used are from the same market area as the subject. Comps used are the most similar to the subject in style, age and size found at time of the report. All comps used are similar to the subject in utility and market appeal.
