Listing Comments Why the comparable listing is superior or inferior to the subject.

Listing 1 It is inferior because of having a smaller GLA and for having a smaller room count. Overall, similar in design and appeal and has comparable views.

Listing 2 Shows the best support from my value conclusion. Overall, it has the most comparable characteristics.

Listing 3 It also has the same view as the subject, but its larger GLA, being a newer building, and having a larger lot makes this superior to the subject.

Recent Sales - Cont.

Reasons for Adjustments Why the comparable sale is superior or inferior to the subject.

- **Sold 1** It is inferior because of closing further back than the other comps. Overall, similar in design and appeal and has comparable views. Also farthest in proximity to the subject compared to other comps used. Adjustments: \$510 due to sq ft, -\$160 due to the lot, -\$200 due to age.
- **Sold 2** Shows the best support from my value conclusion. Overall, it has the most comparable characteristics and most importantly the most similar location/view which is one of the biggest factors with the subject. Adjustments: \$3105 due to sq ft, -\$800 due to age, -\$3000 due to room count.
- **Sold 3** It also has the same view as the subject, but its being a newer building makes it superior to the subject. Therefore my value conclusion most aligns with Sale 2. Adjustments: -\$6150 due to sq ft, \$611 due to the lot, -\$800 due to age, \$3000 due to room count.

Comments Regarding Pricing Strategy

Please note, Neighbor used for address verification. Note: Commercial Influences, river, canal, open spaces, and busy roads in the immediate vicinity of the subject will not negatively influence the marketability and value of the property. The comps below were considered but because they reflected a value very different than the rest of my comps, they were replaced with comps that better supported the market and my final value conclusion. Sales: MLS # 63728775/ 426 Bayberry Closing Way Sales: MLS # 65317153/ 1410 Chambers Bay Ct Sales: MLS# 2054209/ 311 Calamint Dr The search was extended back 4 months, out in distance 1 mile, and even with relaxing 35% GLA search criteria I was unable to find many comps that fit within 20% GLA requirements and similar style and appeal. Within 1 mile and back 4 months, I found 9 comps of which I could only use 6 due to condition or site-size factors. The comps used are the best possible currently available comps within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and comps. Upon review of all the pertinent information, an opinion of the as- is market value of \$292,000 is adequately supported with emphasis placed on List No. 2 and Sale No. 2. Based upon an exterior inspection, from the street, the subject property has no observable adverse condition noted that would cause a safety or health risk/concern at the time of inspection. Therefore no resale issues are foreseen.
