Comments Regarding Pricing Strategy		
Subject property should be priced near mid high range of competing listings due to short supply of directly competing properties and low days on market time. This property would be expected to sell near mid high range of adjusted comps with 90 days on market. It sold for \$215,421 12/06/2021 as non-MLS sale. Valuation for subject property assumes 90 days on market, typical marketing procedures.
