Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions is currently stable. Subject's last known sale date is 03/31/2021 and the price is \$250,000. Subject appears to be currently occupied verified from the landscape maintained. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for GLA, age and some recommended guidelines when choosing comparable properties. Could not bracket the subject Age, lot size by the list comps due to the lack of activity in the market.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
