| <p>The subject should be sold in as-is condition. The market conditions is currently stable. Due to the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Occupancy verified through the tax record. Sold Comps 2 and List Comps 2 are giving more weight to my estimated value due to GLA and similar market area.</p> |                    |                       |
