Comments Regarding Pricing Strategy		
<p>To locate comparable it was necessary to exceed bed/bath count, age, gla, garage, lot size in the report. Close date exceeds over 3 months for sold comps. The MLS search criteria looked for comparable with a GLA range of 1511 to 2807 Sq.Ft. and within a radius of 2 miles from the subject. In order to bracket the subject's GLA and condition, a search for comps was broadened to include wider price range and to exceed proximity up to 2 miles. The subject is located near the railroad, school, worship place, park, and commercial. Some comparables have crossed the railroad. However, there is no change in subject value and marketability. In delivering final valuation, the most weight has been placed on CS2 and LC2, as they are most similar to subject condition, and overall structure. Subject attributes are from Tax record. Garage count is verified from the MLS/photos.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
