<b>Comments Regarding Pricing Strategy</b>		
Subject property should be priced near mid high range of competing listings due to balanced supply of directly competing properties and very low days on market time. This property would be expected to sell near mid high range of adjusted comps with 90 days on market. It sold as non-MLS sale for \$375,000 11/24/2021 as non-MLS sale. Valuation for subject property assumes 90 days on market, typical marketing procedures.		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The price is based on the subject being in average condition. Comps are similar in characteristics, located within 0.94 miles and the sold comps closed within the last month. The market is reported as having increased 6% in the last 6 months. The price conclusion is deemed supported. The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
