Visual exterior inspection shows no sign of needed repair except for new windows \$9000 and new exterior door \$300. Listing as-repaired will improve the subject's overall curb appeal and help with the marketing effort. Potential buyers are first-time buyers. There's a shortage of comparables with similar living space within immediate area so expansion of search distance, age, GLA and/or lot size is necessary.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The current report is showing a large variance in as-is conclusions with the most current duplicate. The large variance appears to be due to comp **Notes** proximity. The current report provides more proximate comps that better support the subject's as-is conclusion in its immediate area.
