<b>Comments Regarding Pricing Strategy</b>		
<p>3 months sold comparable and comparable with pool were wider in price range. Therefore, unable to use 3 months sold comparable in this report. All similar style active comparable were wider in price range and inferior in GLA. To locate comparable, it was necessary to exceed proximity up to 2 miles, 25% GLA, year built up to +/-30, bed/bath count, closed date, sub style, lot size and used superior condition comparable. Subject is located near highway, worship places, major road, park, schools, commercial buildings. This however, will have no impact on value. In delivering final valuation, most weight has been placed on CS2 and LC2, as they are most similar to subject condition and overall structure.</p>
