Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions are currently stable. Due to the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for GLA, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Subject is occupied verified through tax record. Sold 3 Comp was weighted the most and similar in GLA. List comparable 3 was weighted the heaviest due to value.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
