Comments Regarding Pricing Strategy

Subject is 1320 Sq.Ft house. Due to limited comparables, need to exceed proximity up to 1.8 miles, bed/bath count, sold date up to 12 months and lot size guidelines. Since limited comparables were available, need to take comparables with closed date beyond 3 months. Subject is located near busy road,worship area, highway,park, cemetery, school, railway, water bodies, commercial amenities. Due to limited comparable from same location, it was necessary to use comparables from across the major roadways. However, this won't affect the market value. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC3, as they are most similar to subject condition and overall structure. Subject attributes are taken from Tax record. Garage count is verified using picture.
