Comments Regarding Pricing Strategy		
Due to the scarcity of comparable listings/ sales of subject size/type and low turnover it was necessary to exceed guidelines concerning age. However subject final price represents a value with normal market times and is based on similar comps in the area . Location of property and similarity of comps were taken into consideration to arrive at a reasonable price.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect
Notes the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
