| Comments Regarding Pricing Strategy | | |
| <p>This country has seen a lot of loss in the last 2 years from the Pandemic that is still continuing. There is still a lot of people out of work and some kids still distant learning. Covid number have again spiked some are working from home. Still a lot of tenants not paying rent and some owners are behind on there mortgage. Subject has some work to be done on the exterior but mostly minor repairs. The market is still doing good with the lower interest rates and low inventory of homes. The comps are the best at this time in this market. Pricing is all over the place and some homes are selling at a fast pace. the subject address is not legible so took address next door</p> | | |
