General Conditions

Owner	CATAMOUNT PROPERTIES 2018 LLC	Condition Comments	2951 Sunrise Dr is a one story, brick, ranch style, sfr. The subject is similar in style and conforms to some other homes in the neighborhood. The subject's view is of similar homes and is in a suburban subdivision. This is a similar view as other homes in the area. I observed no required repairs from the exterior inspection. The home has a notice on the window consistent with foreclosed homes in the area. I marked the home as vacant. I strongly recommend an interior inspection due to the vacancy of the property. In the absence of an interior inspection, I valued this property in average condition. The sale list in the uploaded tax records indicates the property may be distressed based on the low sales price. This is an exterior report. I am unaware of the interior condition.

Comments Regarding Pricing Strategy		
<p>I used the attached tax records for the subject's characteristics. In order to find similar comps I searched the MLS and tax records. I started with a .35 mile radius in the same zip code. I used a gla range of 824-1528 sq. ft. (20%) I used an age range of 43-83 years (30%) I looked at all one story homes that have sold in the last 3 months. The search produced 10 sales that ranged from 175,000-255,000. I focused on non renovated sales in the same subdivision. I used 3 sales that were in typical neighborhood condition. **Proximity and condition were a high priority in comp selection** I used the same search to look for similar active listings. I found 6 listings in a .5 mile radius that ranged from 202,000-289,900. Again, I used non updated comps in the same area. Value is a fair market value. Value is based on the subject being in "typical" neighborhood condition. The condition of most homes in the area was well maintained and up to date. I avoided using any comps with recent updates/ renovations. I adjusted any comps with recent updates. I relied on non updated sales in the same subdivision for a current value.</p>		

Clear Capital Quality Assurance Comments Addendum
