<b>Comments Regarding Pricing Strategy</b>		
<p>The subject is on the low end of average condition. It has not been maintained it appears, and exterior paint is needed. An interior inspection is recommended as it appears a lack of maintenance on the exterior would carry to the interior as well. Active comp 1 is a reflection of the market value for a middle of the road, average condition home. Remodeled comps are selling in the upper 400s to low 500s.</p>
