Comments Regarding Pricing Strategy		
<p>Within 1 mile, 30% GLA, 20+/- year built and 12 months sold date, the majority of the comparables available from the subject immediate neighborhood were different in sub-style. In order to take proximate comparables, it was necessary to exceed 3 months sold date, style, condition, lot size for active and sold comps and exceed proximity up to 1 mile. The best available comparables are used in the report. In delivering the final valuation CS2 and LC2 are the best comparables. Based on exterior observation, the subject property appears to be in average condition and not in need of immediate repair. As long as the subject is priced within the most recent values of the subject's comps there should not be a problem with resale. Located in an established residential neighborhood academy, car wash, consulting service, medical facilities, and public transportation are within close proximity. The details were taken as per the tax record. Comparable(CS2) received multiple offers which resulted in an increased final sale price relative to list price.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
