<b>Comments Regarding Pricing Strategy</b>		
<p>My price opinion is weighted on the sold comps adjusted values. Sold Comp #1, the most comparable to the subject, is superior with one more full bath, GLA, central air, garage bays and finished basement area. The subject would compete below this comp. Sold Comp #2 is in the same condition as the subject and superior in a half bath, central air, garage bays, and slightly in GLA. Both sold comps sold over list \$16-20k. In my opinion, the subject would compete between these comps with market appreciation, days on market averages and the local market conditions all analyzed in.</p>		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect  
**Notes** the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
