Comments Regarding Pricing Strategy		
<p>Subject property is in a gated community. Access was not possible. Gate photos provided. Due to a lack of comps it may not be possible to bracket all of subjects features. Fair market comps from the same neighborhood, block or subdivision are used whenever possible. The sales and listing search revealed comps were that had similar size and features and are located in the closest possible vicinity to the subject. Search parameters start at 1 mile and closer and expand out as needed. Comp sale date starts at 180 days and earlier. GLA search starts at 15% smaller or larger of subject and increases only if necessary.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
